

Dabrafenib: sc-364477

The Power to Question

MATERIAL SAFETY DATA SHEET

1. Product and company identification:

Product Name: Dabrafenib

Product Number: sc-364477

Supplier: Santa Cruz Biotechnology, Inc.
2145 Delaware Avenue
Santa Cruz, CA 95060
800.457.3801 or 831.457.3800

Emergency: ChemWatch
Within the US & Canada: 877-715-9305
Outside the US & Canada: +800 2436 2255 (1-800-CHEMCALL) or call +613 9573 3112

2. Composition/data on components:

Chemical Name: Dabrafenib

Synonyms: GSK2118436A

CAS Registry Number: 1195765-45-7

Molecular Weight: 519.56

Molecular Formula: C₂₃H₂₀F₃N₅O₂S₂

3. Hazard identification:

Hazard Description:

Toxic. Contains a pharmaceutically active ingredient.

Handling should only be performed by personnel trained and familiar with handling of potent active pharmaceutical ingredients. Moderate to severe irritant to the skin and eyes.

4. First aid measures:

After Inhalation: if inhaled, remove to fresh air; if breathing is difficult, give oxygen; if breathing stops, give artificial respiration

After skin contact: flush with copious amounts of water; remove contaminated clothing and shoes; call a physician

After eye contact: check for and remove contact lenses and flush with copious amounts of water; assure adequate flushing by separating the eyelids with fingers; call a physician

After swallowing: if swallowed, wash out mouth with copious amounts of water; call a physician

5. Fire fighting measures:

Suitable extinguishing agents: water spray, carbon dioxide, dry chemical powder or foam

Protective equipment: wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes.

Unusual fire hazard: emits toxic fumes such as carbon monoxide, etc.

6. Accidental release measures:

Person-related safety precautions: cordon off area of spill; wear self-contained breathing apparatus, protective clothing and heavy rubber gloves

Measures for cleaning/collecting: absorb solutions with finely- powdered liquid-binding material (diatomite, universal binders); decontaminate surfaces and equipment by scrubbing with alcohol; dispose of contaminated material according to Section 13

7. Handling:

Information for safe handling: avoid inhalation and contact with skin, eyes and clothing; material may be an irritant

Storage: Store at -20 °C.

8. Exposure controls and personal protection:

Personal protective equipment as follows:

Breathing equipment: NIOSH/MSHA-approved respirator

Protection of hands: chemical-resistant rubber gloves

Eye protection: chemical safety goggles

9. Stability and reactivity:

Stability: stable if stored as directed; avoid strong oxidizing agents

Thermal decomposition/conditions to be avoided: protect from light and heat

Dangerous products of decomposition: thermal decomposition may produce toxic gases such as carbon monoxide, carbon dioxide, and nitrogen oxides

10. Toxicological information:

RTECS#:

Acute toxicity: none known

Primary irritant effect: not known

On the skin: none known

On the eye: not known; may be an irritant

11. Ecological information:

General notes: no data available

12. Disposal consideration:

Dispose of in accordance with prevailing country, federal, state and local regulations

13. Transport information:

DOT:

Proper shipping name: none

Non-Hazardous for transport: this substance is considered to be non-hazardous for transport

IATA class:

Proper shipping name: none

Non-Hazardous for transport: this substance is considered to be non-hazardous for transport

14. Regulations:

Code letter and hazard designation of product:

Hazard-determining components of labeling:

EU Risk And Safety phrases:

S24/25 avoid contact with skin and eyes

S26 in case of contact with eyes, rinse immediately with plenty of water and seek medical advice

S28 after contact with skin, wash immediately with plenty of water

S36/37/39 wear protective clothing, gloves and eye/face protection

R28 very toxic if swallowed

R38 irritating to skin

R41 risk of serious damages to eyes

R48 toxic; danger of serious damage to health by prolonged exposure

R62 possible risk of impaired fertility

R63 possible risk of harm to unborn child

15. Other information:

The above information is believed to be correct but does not purport to be complete and should be used only as a guide. The burden of safe use of this material rests entirely with the user.
