

*The Power to Question*

# CERTIFICATE OF ANALYSIS

Catalog Number: sc-202958  
Lot Number: SAMPLE  
Product Name: Aristoforin  
CAS Number: 849215-53-8  
Molecular Formula:  $C_{37}H_{54}O_6$   
Molecular Weight: 594.83

| Test                               | Result                                                     |
|------------------------------------|------------------------------------------------------------|
| Appearance                         | White to yellow oil                                        |
| Identification ( $^1H$ -NMR)       | Complies                                                   |
| Identification ( $^{13}C$ -NMR)    | Complies                                                   |
| Identification (Mass Spectrometry) | Complies                                                   |
| Purity                             | $\geq 95\%$                                                |
| Solubility                         | Soluble in DMSO or 100mM sodium hydrogen carbonate/2% DMSO |

Satisfaction Guarantee: We appreciate your business and are committed to providing the highest level of quality and service. Any product that does not meet the performance standards indicated in our product literature will be replaced at no charge. Our policy is valid for one year from the date of your purchase.
