

# CERTIFICATE OF ANALYSIS

The Power to Question

Catalog Number: sc-219808  
Lot Number: SAMPLE  
Product Name: rac Carprofen-d3  
CAS Number: 1173019-42-5  
Molecular Formula:  $C_{15}H_9D_3ClNO_2$   
Molecular Weight: 276.73  
Native Source: Synthetic

| Test                               | Specification             | Result                  |
|------------------------------------|---------------------------|-------------------------|
| Appearance                         |                           | Grey solid              |
| Identification (1H-NMR)            | Consistent with structure | Complies                |
| Identification (Mass Spectrometry) | Consistent with structure | Complies                |
| Isotopic Purity                    |                           | 99.7%                   |
| Purity (TLC)                       |                           | 98%                     |
| Melting Point                      |                           | 189.0 - 192.0 °C (dec.) |
| Acetic Acid                        |                           | ~0.84%                  |

Satisfaction Guarantee: We appreciate your business and are committed to providing the highest level of quality and service. Any product that does not meet the performance standards indicated in our product literature will be replaced at no charge. Our policy is valid for one year from the date of your purchase.
