# CERTIFICATE OF ANALYSIS

Catalog Number: sc-227606  
Lot Number: SAMPLE  
Product Name: Chloro(triethylphosphine)gold(I)  
CAS Number: 15529-90-5  
Molecular Formula:  $C_6H_{15}AuClP$   
Molecular Weight: 350.58

| Test                               | Specification                                                                                  | Result       |
|------------------------------------|------------------------------------------------------------------------------------------------|--------------|
| Appearance                         | White to off-white to light red to light purple powder, crystals, crystalline powder or flakes | White powder |
| Identification (1H-NMR)            | Consistent with structure                                                                      | Complies     |
| Identification (Infrared Spectrum) | Consistent with structure                                                                      | Complies     |
| Carbon Content                     | 19.84 - 21.27 %                                                                                | 20.52 %      |

Satisfaction Guarantee: We appreciate your business and are committed to providing the highest level of quality and service. Any product that does not meet the performance standards indicated in our product literature will be replaced at no charge. Our policy is valid for one year from the date of your purchase.
