

*The Power to Question*

# CERTIFICATE OF ANALYSIS

Catalog Number: sc-253066  
Lot Number: SAMPLE  
Product Name: N-(2-Hydroxyethyl)trifluoroacetamide  
CAS Number: 6974-29-4  
Molecular Formula:  $C_4H_6F_3NO_2$   
Molecular Weight: 157.09

| Test                               | Specification                                                                     | Result      |
|------------------------------------|-----------------------------------------------------------------------------------|-------------|
| Appearance                         | White to yellow or colorless to yellow solid, fibers, powder, crystals or liquid. | White solid |
| Identification (Infrared Spectrum) | Consistent with structure                                                         | Complies    |
| Purity (GC)                        | $\geq 96.5\%$                                                                     | 100.0%      |
| Carbon                             | 29.5 - 31.7%                                                                      | 29.8%       |
| Nitrogen                           | 8.6 - 9.2%                                                                        | 8.8%        |

Satisfaction Guarantee: We appreciate your business and are committed to providing the highest level of quality and service. Any product that does not meet the performance standards indicated in our product literature will be replaced at no charge. Our policy is valid for one year from the date of your purchase.
