

The Power to Question

# CERTIFICATE OF ANALYSIS

Catalog Number: sc-279255  
Lot Number: SAMPLE  
Product Name: L-Serine benzyl ester hydrochloride  
CAS Number: 60022-62-0  
Molecular Formula:  $C_{10}H_{13}NO_3 \cdot HCl$   
Molecular Weight: 231.68

| Test                                 | Result                               |
|--------------------------------------|--------------------------------------|
| Appearance                           | Off-white powder                     |
| Enantiomeric Content                 | Other Enantiomer: < 0.1%             |
| Identification (1H-NMR)              | Consistent with structure            |
| Identification (13C-NMR)             | Consistent with structure            |
| Purity (TLC)                         | > 99%                                |
| Melting Point                        | 170 °C                               |
| Solubility                           | Colorless solution at 5% in methanol |
| Optical Rotation ( $\alpha_{25/D}$ ) | -11.3° (c = 1 in H <sub>2</sub> O)   |

Satisfaction Guarantee: We appreciate your business and are committed to providing the highest level of quality and service. Any product that does not meet the performance standards indicated in our product literature will be replaced at no charge. Our policy is valid for one year from the date of your purchase.
