

The Power to Question

# CERTIFICATE OF ANALYSIS

Catalog Number: sc-3592  
Lot Number: SAMPLE  
Product Name: Ionomycin  
CAS Number: 56092-82-1  
Molecular Formula:  $C_{41}H_{70}O_9 \cdot Ca$   
Molecular Weight: 747.07

| Test             | Result                                                                                       |
|------------------|----------------------------------------------------------------------------------------------|
| Appearance       | White powder                                                                                 |
| Purity (HPLC)    | 99.13%                                                                                       |
| Purity (TLC) (1) | ≥ 99%                                                                                        |
| Purity (TLC) (2) | ≥ 99%                                                                                        |
| Purity (TLC) (3) | ≥ 99%                                                                                        |
| Melting Point    | 196 - 200 °C                                                                                 |
| Solubility       | DMSO: Clear colorless solution at 10 mg/ml<br>Methanol: Clear colorless solution at 10 mg/ml |

Satisfaction Guarantee: We appreciate your business and are committed to providing the highest level of quality and service. Any product that does not meet the performance standards indicated in our product literature will be replaced at no charge. Our policy is valid for one year from the date of your purchase.
