

The Power to Question

# CERTIFICATE OF ANALYSIS

Catalog Number: sc-472952  
Lot Number: SAMPLE  
Product Name: Ruscogenin  
CAS Number: 472-11-7  
Molecular Formula:  $C_{27}H_{42}O_4$   
Molecular Weight: 430.62

| Test                                   | Specification | Result                     |
|----------------------------------------|---------------|----------------------------|
| Appearance                             |               | White solid                |
| Identification ( $^1\text{H}$ -NMR)    |               | Consistent with structure  |
| Identification ( $^{13}\text{C}$ -NMR) |               | Consistent with structure  |
| Identification (Mass Spectrometry)     |               | Consistent with structure  |
| Purity (TLC)                           |               | 98%                        |
| Atmosphere                             |               | Air                        |
| Melting Point                          |               | 208 - 210 °C               |
| Solubility                             |               | DMSO, methanol, pyridine   |
| Specific Rotation                      |               | -105.9° (c = 0.1, Ethanol) |
| Carbon Content                         | 75.31%        | 73.47%                     |
| Hydrogen Content                       | 9.83%         | 10.33%                     |

Satisfaction Guarantee: We appreciate your business and are committed to providing the highest level of quality and service. Any product that does not meet the performance standards indicated in our product literature will be replaced at no charge. Our policy is valid for one year from the date of your purchase.
