

The Power to Question

# CERTIFICATE OF ANALYSIS

Catalog Number: sc-490237  
Lot Number: SAMPLE  
Product Name: N'-Formylkynurenine  
CAS Number: 1022-31-7  
Molecular Formula:  $C_{11}H_{12}N_2O_4$   
Molecular Weight: 236.22  
Native Source: Synthetic

| Test                               | Specification | Result                                               |
|------------------------------------|---------------|------------------------------------------------------|
| Appearance                         |               | Off-white to light beige solid                       |
| Identification ( $^1H$ -NMR)       |               | Consistent with structure                            |
| Identification ( $^{13}C$ -NMR)    |               | Consistent with structure                            |
| Identification (Mass Spectrometry) |               | Consistent with structure                            |
| Purity (TLC)                       |               | 95%                                                  |
| Atmosphere                         |               | Inert gas                                            |
| Melting Point                      |               | > 149 °C (dec.)                                      |
| Solubility                         |               | Aqueous base, DMSO (sparingly), methanol (sparingly) |
| Carbon Content                     | 55.93%        | 49.92%                                               |
| Hydrogen Content                   | 5.12%         | 5.25%                                                |
| Nitrogen Content                   | 11.86%        | 10.24%                                               |
| Sodium Content                     |               | 1.39%                                                |
| Water Content                      |               | 3.4%                                                 |

Satisfaction Guarantee: We appreciate your business and are committed to providing the highest level of quality and service. Any product that does not meet the performance standards indicated in our product literature will be replaced at no charge. Our policy is valid for one year from the date of your purchase.
