

The Power to Question

# CERTIFICATE OF ANALYSIS

Catalog Number: sc-500243  
Lot Number: SAMPLE  
Product Name: 9,10-Dehydro Folitixorin Chloride  
CAS Number: 804563-04-0  
Molecular Formula:  $C_{20}H_{22}ClN_7O_6$   
Molecular Weight: 491.88

| Test                               | Specification             | Result                     |
|------------------------------------|---------------------------|----------------------------|
| Appearance                         |                           | Light greyish-yellow solid |
| Identification (1H-NMR)            | Consistent with structure | Complies                   |
| Identification (Mass Spectrometry) | Consistent with structure | Complies                   |
| Purity (TLC)                       |                           | 96%                        |
| Atmosphere                         |                           | Inert gas                  |
| Melting Point                      |                           | > 229.0 °C (dec.)          |
| Solubility                         |                           | DMSO, methanol (sparingly) |
| Carbon Content                     | 48.84%                    | 45.61%                     |
| Chloride                           |                           | 7.3%                       |
| Hydrogen Content                   | 4.51%                     | 4.81%                      |
| Nitrogen Content                   | 19.93%                    | 18.37%                     |
| Water Content                      |                           | 6.51%                      |

Satisfaction Guarantee: We appreciate your business and are committed to providing the highest level of quality and service. Any product that does not meet the performance standards indicated in our product literature will be replaced at no charge. Our policy is valid for one year from the date of your purchase.
