

The Power to Question

Dear Valued Customer,

The product named below does not require a Material Safety Data Sheet (MSDS) under the Occupational Safety and Health Administration (OSHA) standard entitled "Hazard Communication" under Code 29 of Federal Regulations 1910.1200 in the United States.

This product does not meet the criteria for Workplace Hazardous Materials Information System (WHMIS) classification as a controlled product. As a result, a WHMIS Material Safety Data Sheet is not required in Canada for this product.
