

Nolvasan® Skin & Wound Cleanser

Fort Dodge

Contains 2% (w/v) chlorhexidine acetate in a stable detergent base

Nolvasan Skin and Wound Cleanser possesses a wide range of antimicrobial activity and provides a rapid and residual antimicrobial effect.

CAUTION

For External Use Only.

Keep out of reach of children.

DIRECTIONS FOR USE

General Skin Cleansing: Thoroughly rinse area to be cleansed with water. Apply sufficient Nolvasan Skin and Wound Cleanser and wash gently. Rinse again thoroughly.

Wound Cleansing: Rinse the area to be cleansed with clean water. A moistened gauze pad may be used to apply a small amount of Nolvasan Skin and Wound Cleanser to the affected area. Gently cleanse for 2-4 minutes. Additional water may be needed to obtain adequate sudsing. Repeat cleaning if necessary. Wipe away excess foam with a clean gauze pad. After cleansing, an antiseptic ointment or suitable dressing may be applied.

CAUTION: In case of deep or puncture wounds or serious burns contact a veterinarian. If redness, irritation, or swelling persists or increases, consult a

veterinarian.

Avoid contact with the eyes and mucous membranes. If contact is made, flush promptly and thoroughly with clean water. Hypersensitivity to Nolvasan is rare; however, if reactions should occur, discontinue use.

For Animal Use Only

Storage

Store at controlled room temperature 15° to 30°C (59° to 86°F).
