

UltraCruz Equine Wellness™

the Supplement of Champions

A foundational wellness formula for total body health, containing essential ingredients to support horse health on all levels. Comprehensive ingredients include a unique blend of trace minerals, amino acids and vitamins, plus glucosamine sulfate. It offers support on a cellular level for healthy joints, bones, hooves and skin, while also reinforcing healthy immune, digestive and reproductive systems.

ULTRACRUZ™ ADVANTAGE

"I have been using UltraCruz Equine Wellness on my horses for the past few months. I have tried other products over the years, but I am very pleased with UltraCruz Equine Wellness. My horses have a great shine to them and their overall health is great."

Santa Cruz Animal Health is very friendly, helpful, and informative about their products. I highly recommend Santa Cruz Animal Health to all horse owners."
