

ULTRA 24™ MULTI-PURPOSE MILK REPLACER

Ultra 24™ is a premium, all-milk protein, multi-species milk replacer. It provides complete and balanced nutrition for calves, foals, piglets, lambs, goat kids, llama and alpaca crias, fawns and elk calves.

FEATURES AND BENEFITS

- High protein, high energy, multi-species milk replacer to support optimal digestibility and performance.
- 24% fat and 24% all-milk proteins.
- Added vitamins and minerals help support digestive health and immune function.
- Can be used as a dry supplement to provide additional nutrients for weight gain, at weaning and during times of stress.
- Easy-mixing formula.
